

Manhattan Patrick Norguet 2009

A: arm

Upholstery category ① ② ③ ④

Comment

The loose elements of the Manhattan series can be linked. The composition can be changed into other compositions.
 Mdf floor plate in white, black or aluminium.
 The sofa has adjusting feet which means that the inclination angle and seating height can be fixed slightly.
 Upholstery; you can use two fabrics; one fabric for the seat and complete back and one for the side parts. The most expensive fabric determines the fabric group.
