BOLERO

BOLERO table lamp

design niclas hoflin

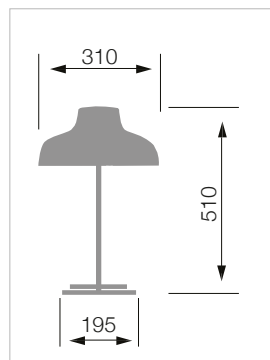

For the tables
around you

Bolero is inspired by the matador;
strong and masculine with a clear touch
of femininity. Bolero table, with
adjustable intensity of light by pulling the
string. At the office, for homework or in
the living room.

Two light sources, separately controlled
Wind the cable around the base

The lamp is delivered with 3m textile cord
and 2x12W E27 energy light bulbs.
