

Frame

The epitome of minimalism

normann

C O P E N H A G E N

A contemporary dining sofa

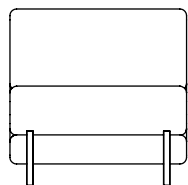

Frame is a sofa with a distinctively high seat, making it particularly ideal for dining environments or other areas where a higher seat is desired. The design is the epitome of minimalism, consisting of only two elements: A simple, slightly rounded seat elegantly integrated into the gently angled backrest. Frame draws inspiration from classic American diners, often characterized by smaller booths with quilted dining sofas.

Product Facts

Description

Frame is a sofa with a higher seat, making it particularly ideal for dining settings. The design is the epitome of minimalism, comprising only two elements, a simple, rounded seat which is elegantly fitted into the slightly angled backrest. The sofa is made from high-quality PU foam with a wooden reinforcement structure inside and rests on powder-coated steel legs. Frame comes in four lengths.

Designer / Year Of Design

Simon Legald / 2023

Material

Frame: Combination of pine and chipboard

Filling: PU Foam

Legs: Powder-coated steel

Construction

The Frame Sofa is made of high-quality PU foam with a wooden reinforcement structure inside. The sofa rests on legs made from powder-coated steel, elegantly lifting the sofa from the ground. Frame comes in four lengths. Textile or leather upholstery.

Maintenance

Textile: Clean with textile or upholstery cleaner.

Leather: Clean with a damp cloth. Use warm water with soap flakes. Frequent vacuuming with a soft fitting is recommended for both textile and leather to preserve color and appearance..
